RE: Writ of Restitution (Eviction)

Dear (TENANT):

You have been served with a Writ of Restitution. This means you are ordered to vacate the premises. You will have until (DATE/TIME) to remove all of your personal belongings. If you do not vacate by this time, the Fond du Lac County Sheriff's Office will be forced to move you. Thank you for your cooperation.

Also attached is a form which needs to be signed by you or anyone else leaving any property at the above address. Please fill in the highlighted areas on the form and leave this form at the residence or hand it to the process server. Thank you.

Sincerely,

Dennis Vis and/or Carmen Elliott, Deputy Sheriff
Civil Process Division
Fond du Lac County Sheriff's Office
